

cop5536::bp_node

```
graph BT; A[cop5536::bp_node_l] --> B[cop5536::bp_node]
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'cop5536::bp_node'. The bottom box is gray with a black border and contains the text 'cop5536::bp_node_l'. A blue arrow points vertically from the top edge of the bottom box to the bottom edge of the top box, indicating a pointer or reference relationship from the lower node to the upper node.
